

COMPANY PROFILE

PROFESSIONAL INSPECTION AND CERTIFICATION SERVICES

Control Union

Since 2009, **Control Union Philippines** supports Filipino farmers, processors, and traders to access local and international markets and facilitates trade through the means of sustainable certifications, commodity inspections, laboratory services and collateral management solutions. We provide these services in the agricultural sector, aquaculture, fisheries, forestry, social compliance, textile and other related industries.

Control Union Philippines is part of the Peterson and Control Union Group, a family-owned company established in 1920 in the Netherlands. With roots in agricultural inspections, the group has been

operating for more than 100 years in the field of logistics, quality, certifications, and risk management.

To this day, Peterson and Control Union continues to be family-owned and now operates in more than 80 countries employing more than 5,000 people globally.

Our in-depth knowledge and experience covers all aspects of the supply chain in many industries including agriculture, energy, forestry, sustainability and textiles. Upholding our integrity is paramount to Peterson and Control Union. We act with honesty and respect in everything we do.
