OUR SERVICE

**Proud to be the proof to your promise.
We are the trusted expert that will help you boost
your business through sustainable solutions.**

Control Union has been helping to build a better world for several decades. From our roots in agriculture, we have since grown to become a global trustworthy partner for testing, inspection and certification (TIC), providing a comprehensive range of quality services to clients in more than 80 countries.

Thanks to our global network of offices, and our 5.000+ people, we are uniquely equipped to support businesses anywhere in the world, providing on-the-ground support and insight to assist partners with local challenges on testing, inspections and certifications.

Established in 1986, Control Union Argentina S.A. has been a pioneering force in commodity inspection. With offices strategically positioned in Bahía Blanca, Necochea, and San Lorenzo, our close proximity to key ports ensures seamless integration with inspection operations. Our dedicated laboratory in Ricardone guarantees reliable and swift results, emphasizing our unwavering commitment to precision and client satisfaction.
